### JUROR'S STATEMENT

I would like to thank the Boca Museum Art Guild for inviting me to participate as a juror for the Coral Springs Museum Exhibition. I'd also like to thank the many talented artists who submitted work for the show.

There was such a great variety of material; paintings, photography, mixed media, and subject; figurative, abstract and non-objective. I tried to give equal consideration to each work of art without knowing the title or the artist. This is a subjective process. A juror comes equipped with their artistic knowledge and experience to inform their decisions. What makes an artwork successful? Strong composition and harmony, balance of form and content, craftsmanship, technical skill, or creativity? Is it emotional or intellectual?

Congratulations to all artists whose work was admitted to the exhibition.

Kimberley Maxwell, Juror
