

JUROR'S STATEMENT:

Congratulations to all of you who entered this show. Clearly there are artists in this exhibition that expressed their unique visions and creativity.

When judging an exhibition such as this, I am most drawn to art that evokes an emotion. Some of the pieces made me feel happy, some made me think, and some reminded me of good times. Next I look for work that demonstrates that the artist knows and understands the elements and principles of design. Both of those criteria are evident in this exhibition. I encourage all of you to keep your creative spirit alive and well. It is a privilege to be asked to serve as Juror for this exhibit. Thank you for the opportunity.

Jane Collin
